

19-inch Industrial Cabinets for Factory Use

Overview

Bud offers a variety of 19" rack cabinets and enclosures for applications requiring mounting and enclosing servers or other equipment. Rather than serving solely as passive enclosures, the cabinets are engineered as structured platforms that take mechanical design, thermal behavior, and system integration into account from the start. Find a huge range of 19 Inch Equipment 19" Floor Cabinets at Newark Electronics. The line includes our popular 42u rack. Industrial Storage Cabinets Maximize every inch with modular industrial storage cabinets from Vidmar®—engineered for high-density organization, durability, and workspace efficiency. Preconfigured and custom-configured Vidmar® cabinets feature max weight-bearing capacity and heavy-duty construction. Request a Fast & Customized Cabinet Quote! Professional-grade storage made in North America: including a 99-year warranty on all 12 gauge products. Let us create the perfect space to handle your storage needs. Whether designed with solid-doors that conceal its contents, clear-view doors that offer full visibility, or ventilated doors which allow air to flow, durable storage.
