

Australian Energy Storage Container 40ft Supplier

Overview

Container Prod AU provides top-quality shipping containers for sale across Australia, featuring a wide range of new and used 10ft, 20ft, and 40ft containers ideal for storage, transport, and custom projects. Our solutions range from bespoke designs to pre-packaged high-voltage (HV) systems sourced from trusted international partners, ensuring optimal performance for large. The CAPS BESS is an efficient, reliable, and smart containerised Battery Energy Storage System (BESS). It is designed to provide backup power, intelligent energy storage management, and integration with a wide variety of inputs and outputs. This flexible solution can include batteries, inverters, UPS systems, fire/gas protection, HVAC, switchboards and auxiliary components. Putting them right where I needed them Great service, did what they said they would do.
