

Austria lithium battery BMS module manufacturer

Overview

The BMZ Group has over 30 years of expertise in the electronics and battery industries and offers a unique one-stop-shop offering that covers all components of the value chain from a battery to after-sales. Battery-News provides an overview of battery management system (BMS) manufacturers in Europe. Our systems are based on a modular approach and flexible architecture of hardware and software. This enables application to a wide variety of types and sizes. With the BMS-14/7 from Würth Elektronik ICS, we offer a solution designed for industrial lithium-based energy storage systems. Our offer includes two types of systems, high. As part of our "local to local" strategy, our goal as Austria's technologically leading battery manufacturer is to open additional VOLTFACTORY ® locations worldwide.
