To locate a reliable supplier in China, utilize industry websites, attend trade exhibitions, and seek referrals from industry experts. Conso Electrical, an eminent name in China's electrical manufacturing sector, distinguishes itself with the production of Air Circuit Breakers (ACB). It is suitable for the protection and control of power distribution system in substations, industrial and mining enterprises and places with. But here's what the catalog doesn't tell you: only 4 of China's top 10 circuit breaker manufacturers actually hold UL489 certification for North American export. Another 3 have CE marking but fail IEC 60947-2 third-party verification. And two don't list certifications at all—just.
