

Fixed network cabinets for network data centers

Overview

Explore our top-tier selection of Networking Cabinets and Racks designed to keep your IT infrastructure organized and secure. Whether you're setting up a home lab, a corporate data center, or managing network equipment for a small business, our collection offers robust. ZetaFrame® Cabinet is a total, turnkey solution that integrates with power, cable and thermal management accessories to support next-generation compute. Featuring an industry-leading 1500 lb (680 kg) equipment load, the Z4-Series SeismicFrame® can also support an additional 100 lb (45 kg) top load. Legrand is a global provider of data center server and network cabinets, providing fully enclosed racks with side panels, front and rear doors, and roofs. Our flagship data center cabinet, InfiniRack, is nearly endlessly configurable, ensuring you get the perfect solution for your unique environment.
