

Huijue Photovoltaic Civilian Solar Power Generation

Overview

Professional manufacturer of solar and power inverters, offering grid-tie inverters, hybrid inverters, off-grid inverters, solar batteries, solar kits, and complete solar energy storage system solutions. Huijue Group's energy storage solutions (30 kWh to 30 MWh) cover cost management, backup power, and microgrids. To cope with the problem of no or difficult grid access for base stations, and in line with the policy trend of energy saving and emission reduction, Huijue Group has launched an. We offer on-grid/off-grid/hybrid, distributed energy storage systems that utilize wind and solar power according to your needs. Our comprehensive range includes custom-designed systems that integrate. Founded in 2002, Huijue Group is a high-tech service provider integrating intelligent energy storage equipment and computer intelligent network communication system integration and application.
