

Long-lasting solar outdoor cabinet manufacturer

Overview

Our outdoor cabinets are pre-assembled for quick deployment and can operate reliably under wide temperature ranges. They ensure stable energy storage performance in challenging climates, supporting both grid-connected and off-grid renewable energy projects. With IP54/IP55 protection, anti-corrosion design, and intelligent temperature control, they are ideal for telecom base stations, remote power supply, and containerized microgrids. Huijue's lithium battery-powered storage offers top performance. High-density, long-life, & smartly managed, they boost grid. KDM is your professional solar battery enclosure manufacturer in China. Protect your solar batteries with our tested, waterproof enclosures today! KDM solar battery cabinets provide you with the ultimate outdoor dust-tight. The Outdoor Cabinet Energy Storage System is a fully integrated solution that combines safe battery storage, intelligent power management, and weatherproof protection for solar and telecom applications. Was established in Jiangsu, China, leveraging over a decade of specialized experience in sheet metal fabrication.
