

Namibia outdoor power supply custom manufacturer

Overview

Explore our projects showcasing reliable off-grid, industrial, and custom power systems designed for efficiency and performance. Custom grid, off-grid and hybrid power solutions for homes and industries. Sustainable energy with solar, battery storage and generator backup for reliable, cost-effective electricity anywhere you need it. Switchboards, motor drives. We have a proven track record - we are the leading solar power company in the sunbelt countries where climate conditions are extreme. We provide EPC, IPP, O&M services, utility scale. With many years of experience in the design, installation and maintenance of Water & Energy infrastructure and systems we can assist you in the following: Pumping equipment including borehole pumps (solar and AC driven), domestic and industrial booster-pumps, wastewater pumps, circulation pumps. The LiFePO₄ Batteries is an innovative energy storage solution, the batteries have a prime-life lithium iron phosphate battery cell. Ensuring at least 4000 cycles at 80% Depth of charge (DoD). The modular lithium phosphate DC energy system this unit is a 640 Wh modular 12.

Article Content

MPower Namibia

Light up your home and charge your devices from the comfort of your own space with reliable MPower products — all at very affordable prices. ☑ Visit us today and ...

SES | Electrical, Control & Instrumentation Solutions Namibia

We supply, install, and maintain high-quality transformers and substation systems tailored to meet diverse industrial and utility needs. We provide complete solutions for motors and variable speed ...

HOPSOL Africa | Smart Energy Solutions

HOPSOL Africa is a technology leader for on- and off-grid solar power plants, fuel save controllers as well as solar diesel hybrid systems at utility scale (e.g. mining solutions). We are ...

Home | Central Technical Supplies

We service the country from our two branches in Windhoek and Walvis Bay. Vision & Mission History. With our qualified and experienced team of engineers and ...

Home | Furntech Specialized Solar Solutions Namibia

Equipped with cutting-edge Victron Energy inverters, solar chargers (MPPTs), and STORAGEDOCK "prime life" lithium iron phosphate batteries, these units ensure unmatched reliability and performance.

Commercial Solar Energy Solutions

We provide products, services, and turnkey solutions in the power and water supply business sectors and applications. Innovative products and services are offered ...

Pupkewitz Megatech – Your complete electrical and solar solutions partner.

As a subsidiary of the Pupkewitz Group, Megatech is Namibia's leading electrical solutions partner. We have product specialists who can ...
