

Trinity Solar Photovoltaic Power Generation is Free

Overview

So in summary, while Trinity Solar may not require any upfront costs, their solar offerings are not truly free - you are either financing the purchase of the panels through loans or paying a monthly lease/PPA fee to Trinity over decades. The "free" claim is misleading marketing on. How much does it cost to install solar panels?

Can I break up with my utility company for good?

How can I choose a solar installer with finance options?

Are solar panels free?

What is a PPA (power purchase agreement)?

What happens at the end of the PPA term?

Are there incentives or rebates for. Does trinity solar offer free roof and free solar to the customer as they claim?

Is there a catch?

Customer: Does trinity solar offer free roof and free solar to the customer as they claim?

Is there a catch?...
