

What is the wholesale price of energy storage boxes in Bosnia and Herzegovina

Overview

A study by the EnC identified two possible forms this might take: a carbon border tax and an extension of the ETS to the contracting parties of the EnC with the latter one having a more favourable impact, especially if implemented gradually by 2040. Bosnia and Herzegovina (BiH) is a Balkan country that became independent from Yugoslavia in 1992. Since the signing of the Dayton Peace Agreement in 1995, the country has been split in two entities, the Federation of Bosnia and Herzegovina (FBiH) and the Republic of Srpska (RS); in addition, the. Innergex is an independent renewable power producer which develops, acquires, owns and operates hydroelectric facilities, wind farms, solar farms and energy storage facilities.
